

PAU COSTA FOUNDATION

is now seeking 2 (two) positions on the field of wildfires

Pau Costa Foundation (PCF) is a non-profit international organization advocating a profound change in the perception of landscape fire by the society, divulgating the knowledge on fire ecology, facilitating fire management at landscape level and bridging the gap between research, practitioners and society.

It also aims to serves as information coordination platform and contact point to exchange and transfer knowledge in the field of fire ecology research and operational fire management.

All candidates will be assessed in relation to the items that are given below.

Tasks and responsibilities:

- Field work:
 - Exhaustive data collection on the field.
 - Tracking wildfire areas perimeters.
 - Identify and analyze the fire behavior on the landscape.

Requirements and conditions:

- Knowledge on data collection: species identification, basic measures on trees/forests, or similar.
- Knowledge on wildfires.
- Driving license EU B1.

Other requirements to consider:

- Being a PCF Member - it will be positively considered as a merit.
- Availability to travel around Catalunya.
- Willingness and proactive attitude, work team capacity, good communicative and organizing skills, and working in an autonomous way.
- Ability to adapt to changes and dynamism required by the projects.
- Knowledge on database.
- Knowledge on GIS will be valued.

Employment conditions:

- **Duration of employment: 1 month**
- **Start: September 2016**

The employees will be PCF staff members.

Pau Costa Foundation offers an inspiring work environment, dynamic, multicultural and international as well as multiple opportunities for professional growth and learning new skills.

Pau Costa Foundation is an organization that promotes equal opportunities and encourages the presentation of candidates.

All applications will be treated confidentially. Pau Costa Foundation reserves the right to select the appropriate persons for these two vacancies.

Please, send your CV, reference contacts and cover letter (one page) to info@paucostafoundation.org (subject: 'Job Offer 2016/06') before the **26th August 2016 at 15h CET**.
